New administration takes over in City of Elba

By Fern Cox, Publisher

A new city administration was sworn into office in Elba on Monday morning, October 7th, at 9:00 A.M. Circuit Judge Tom Head administered the oath of office, first to the members of the city council, and then to the newly elected mayor.

James Grimes was sworn in as mayor and serving as council members are: Winzell Gray, District 1; John W. Sharpless, District 2 (Incumbent); Harold Banning, District 3; Ben Carpenter, District 4 (Incumbent) and Ronnie Hammonds, District 5.

The officers will serve four year terms. The only elected official making a formal statement was Mayor Grimes. His prepared statement was:

"A few short weeks ago we began the process of electing city officials to lead Elba forward and into the 21st Century. I feel humbled that the citizens of Elba have entrusted

the office of mayor to me. I want my term in office to be one of progress and harmony; leadership and growth; openness and honesty; truthfulness and hard work; cooperation and trust. I believe that the citizens of Elba are ready and eager for this type of city government. I believe that today is the day for us to begin moving forward.

It is my intention to work with the city council and department heads to provide the people of Elba the very best services possible. We will evaluate the services as they are now and work toward making improvements where necessary. I am dedicated to providing only the best for all the citizens of Elba. I ask for your help and suggestions I making this possible.

As many of you know, I grew up on a farm and learned very early the importance of co-operation and hard work. In the days before tractors, we plowed with mules. Often those mules would refuse to work together

and pull with all their might in opposite directions. Of course, this got us nowhere fast.

I believe that it is time for all Elbians to realize that pulling in opposite directions gets us nowhere. We must learn to bend a little, prioritize our needs, and work on first things first. By doing this, we can all pull together and work for the good of Elba. Only by pulling together can we improve our little corner of the world.

We can make Elba an even better place in which to live and work. Let's all get together and pull Elba forward.

With God's help, we can."

Monday evening at 6 P. M. in a special council meeting, the council

met and made routine appointments. Council member Ronnie Hammonds was named as Mayor Pro-Tem. He will preside over council meetings in the absence of the mayor.

Named as city clerk was Donnie Morrow, who was a candidate for mayor in the recent elections. He is retired from civil service.

Ronnie Whitworth was named police chief. He is a retired state trooper.

Council members Ben Carpenter, Ronnie Hammonds and Harold Banning were named to the Water and Electric Board. Three members of

New Brockton's new city council was sworn in Monday evening at 6:00 p.m. and shortly afterwards held its first meeting.

First, Coffee County Probate

Judge Bill Gammill administered the oath-of-office to the members of the council - Charles Cole, Rodger Harrison, Linda Gilbert, and Ron McMonagle. He then swore in Morgan Brit Lee as New Brockton's new mayor.

Lawsuit against City of Elba dismissed by federal judge

By Fern Cox, Publisher

U. S. Judge Harold Albrighton issued a ruling last week dismissing the discrimination lawsuit Reverend Hiron Williams filed against the members of the Elba City Council because they failed to honor his request to sell his church a portion of the old Elba High School. Former Mayor Ricky Haywood was not made a party of the suit because he recommended the City sell the facility to the church.

Williams' church is presently renting the old high school auditorium on a five year lease patterned after several others leases entered into by the city fathers. Lease payments started out at \$1.00 and moved up to \$5.00 after a couple of years. There was at least one more rent increase

during the five year period. Lessors had to do their own clean-up and repairs of any flood damage in the facilities.

After expending a considerable sum of money and labor preparing the building for church services, Reverend Williams requested the council sell his church the part of the building they were leasing, just as they had done to English Diversified. (The old gym was sold under the Wallace-Cater Act for industrial growth.)

A Motion for Summary Judgment was filed on July 29th, and plaintiffs (Williams) had until August 21st to respond. Albrighton wrote that plaintiffs did not respond by the deadline. The judge noted, "The evidence submitted by the Defendants in support of the Motion for Summary Judgment is unchallenged and shows that the Plaintiffs' claims are barred by the statute of limitations."

In his ruling, Judge Albrighton wrote "...the adverse party's response must set forth specific facts showing that there is a genuine issue for trial. If the adverse party does not so respond, summary judgment, if appropriate, shall be entered against the adverse party."

Judge Albrighton assessed all court cost against the plaintiffs, who had filed the lawsuit.

Absentee ballots available

Coffee County Absentee Election Manager, Evelyn Hocutt, announced Tuesday that all absentee ballots for the General Election to be held November 5, have arrived.

The ballots can be obtained in Mrs. Hocutt's office located above the Probate Judge's office in the Elba Courthouse.

Applications are available in the Probate Office and the Circuit Clerk's office in Enterprise and also in the Election Manager's office in Elba.

Voters applying for absentee ballots must either hand deliver the

written request to the election manager personally or send the request through the U. S. Mail.

Mrs. Hocutt stated that according to the law, none but the applicants themselves can pick up a ballot. An application nor a ballot is accepted from anyone except the voter.

Because requests for ballots must be in writing, election officials urge voters not to wait until the last minute to apply.

The deadline to apply for the absentee ballots for the upcoming General Election is 5:00 p.m. on Thursday, October 25, 1996.

Missing Person

A missing person's report has been filed with the Elba Police Department on Watson-Douglas (Doug) White Dove Wambles, age 41, of 206 North Reed Street, Enterprise (formerly of Elba).

Wambles was last seen in Elba on Wednesday, October 2, 1996, at 4:00 p.m., when he left his place of employment.

He was reported missing by a family member on Thursday, October 3.

Wambles is 5 feet 6 inches tall, weighs approximately 160 pounds, has a light beard with a mustache. His eyes and hair are dark brown.

He was last seen wearing khaki pants and a burnt orange shirt with a colorful tie.

The missing individual drives a 1992 Chevrolet black Cavalier, bearing a Montgomery County (AL) tag - 3AFJ521.

Anyone having any information concerning Wambles' whereabouts should contact the Elba Police Department at 897-2555 or call the nearest law enforcement agency.

Former Elbian manages respite home

Kelly S. Dickerson of Blackshear, Georgia (formerly of Elba, Alabama) has been hired as Director of Saillia Respite Home in Blackshear.

Mrs. Dickerson is the daughter of Reda and Jerry Sheffield. She is married to William E. Dickerson of Waycross, Ga.

The facility that Mrs. Dickerson will serve as manager/director in, is the first of the kind in South Georgia area. It is located in Pierce County and will serve eight counties in southern Georgia.

Kelly is very familiar with the "special need" of children and adults who will be served in this facility. She previously worked for the Ware County Board of Education as a Special Education teacher for three years.

The center will provide services to persons who are mentally retarded, ages six years and up. These individuals may stay in the home for a two week period each year. This will allow respite to the caregivers and assist in emergency situations.

As part of the Saillia Community Service Board network, the center's program is part of the Saillia Mental Health and Mental Retardation Substance Abuse provision.

The center is located at 311 Grady Street in Blackshear. It is

equipped with three full bedrooms, two full bathrooms, a spacious activity/family room, formal living room, formal dining room, and summer kitchen. This will actually serve as a home away from home for the clients.

Mrs. Dickerson is responsible for the center's operation for a 24 hour period daily. She will be responsible for all policy/family room, formal living room, formal dining room, and summer kitchen. This will actually serve as a home away from home for the clients.

Along with the director's position, Kelly has been appointed to serve on the Crisis Network Management Team. There she will also be a staff of five fulltime and five part-time house parents. The home will have case managers, in crisis situations.

Mrs. Dickerson is responsible for the center's operation for a 24 hour period daily. She will be responsible for all policy/family room, formal living room, formal dining room, and summer kitchen. This will actually serve as a home away from home for the clients.

BRAINSTORMS

With Ferrin Cox

New faces are visible in city halls across Alabama. Anticipations run from excitement to disappointments, based on just who is doing the thinking. In Elba Monday there was hope for kinder, gentler times as a new mayor and three new council members took the oath of office. We share those emotions and wish the new administration good luck.

We must pause for a moment and express our concern for the father of former mayor Ricky Haywood. Ricky had planned to be on hand with the new administration well, but a call Friday morning that his father was very sick, sent him to North Alabama. His dad is apparently some better, because Ricky called city hall Monday morning to apologize for not being here and to give his blessing long distance. That shows class and we salute it. Take time to include his father in your prayers. Also read the Letter to the Editor from former City Clerk Henry Clark on page 3.

The Elba, swearing in ceremonies were opened and closed with prayer. Reverend Tony Dye opened and Reverend W. L. Peterson closed. We were especially struck by part of Dye's prayer. It is from the first chapter of James (we asked). The line is good for public officials and the rest of us, including students. It is, "If any man lack wisdom, let him ask of God." A whole lot of us would make a better mark on this world by following that simple bit of advice.

Monday night new mayor James Grimes stopped the official proceedings of getting on with the business of running the city long enough to extend a special thanks to Elba policeman John Nelson. Officer Nelson had the unenviable job of being in charge of the police department for the past several months (he had the responsibility but not the title). Now to be fair, we admit John has been a personal friend for years, but quickly agree with Grimes that the man did a good job in impossible circumstances. It was refreshing to hear the new mayor announce that Lt. John Nelson will be named to a soon-to-be-created position of Assistant Chief.

Those who were not at the swearing in ceremonies need to be reminded that Aunt B gave the welcome and put in a plug for Community Spirit Day, this Saturday. Come out, join your sleeves and help... Barbara and the Chamber of Commerce said so!

Challenges for the future

As America heads into the next millennium, it is crucial that we take time for a serious reevaluation of our role in the world. This role will be dictated largely, at least for the foreseeable future, by the fact that our nation is the sole remaining superpower. While this gives us added responsibilities, there are some restraining factors that must be part of the equation.

The lessons of Vietnam, Korea and Beirut, as they relate to public support, cannot be dismissed. We must consider the attitudes of the population in this country if we are to pursue action in places like Bosnia. We must consider possible human casualties as well as public support for the mission. Public attitudes can't be dismissed.

Scarce and limited resources on the part of our national government will also be a major determinant of our foreign policy. We are living in a world of shrinking government action. Both major political parties acknowledge this reality. It is a reality based upon budgetary constraints and a desire for less government, and dictated to some degree by the competition between domestic and foreign policy needs.

We have already seen over the last few years a tendency on the part of our allies to look to us to "put out fires." Our leadership of the NATO operations in Bosnia is a stark example. In this war-torn region, we have seen not only armed battles, but rape, torture, murder and genocide. As a society which stands against such evils, we were called upon to intervene in this instance and will not doubt be called upon for similar action in the future.

Another key part of this is the reevaluation of our role in world disarmament as well as an arms merchant. As we rightfully pursue disarmament and restraints on the sale of arms, we must strive to retain a sensible balance. A "root cause" analysis will serve us well; it is obvious that not much serious fighting takes place between two parties if there are no arms. Our own security, in the light of more ambiguous threats and potential terrorism, will continue to be paramount.

Our great country has been the world's leader for years now. I believe that this role will continue as we address these questions in the 21st century.

Senator Howell Heflin

We must not only look at our role in securing human rights around the world, but also to the commercial and business opportunities in Asia, Africa and Latin America, as well as in the former Warsaw Pact nations. Our international trade policies are important components of such development.

As far as our trade policy and how it affects Americans, we must evaluate our trade deficits and how they affect America's jobs. There should be little doubt that many of our traditional jobs are going overseas or across borders. While new service jobs are being created, there is the increasing danger of a growing gap between the rich and poor, with a distinct narrowing of the middle class.

We know the future will continue to yield technological advances that we have not even thought of today. This is true both in terms of domestic and international policy. A renewed commitment to research and development will be crucial in keeping pace with the rest of the world. Think about the Internet and how it has already changed the ways in which we receive, transmit and exchange news and information. This will only increase in the next century.

Our space program has yielded some of the greatest benefits our nation has ever realized. Its by-products have helped lead to advances in health care techniques. We must continue ourselves and to NASA and its mission, focusing on the direct links between advanced science and research and its relevance to daily life.

Our great country has been the world's leader for years now. I believe that this role will continue as we address these questions in the 21st century.

Wise-Kelley wedding united in holy matrimony, September 14th

On Saturday, September 14, 1996, at 5:00 p.m., Miss Mona Kelley and Mr. Gappa Wise were united in marriage at Westside Baptist Church.

The bride is the daughter of Mr. and Mrs. Dwight Kelley of Elba. The groom is the son of Mrs. Shirley Morgan and the late James J. Wise, Jr. of Elba.

The stately doors of the church were adorned with white wedding bells and flowing white ribbon. Upon entering the church, the guests registered in the bride's book which was attended by Miss Casey Curley, friend of the bride. The table had an arrangement of fresh flowers on a mirrored column.

Mrs. Marissa Warren of Elba provided a variety of musical selections on the piano as guests entered the beautifully decorated sanctuary.

The choir loft was aglow with a large candle tree in the center and four nine-branch candle trees filled with greenery and beautiful fresh flowers. On each side of the sanctuary was a spiral candelabra with flowing greenery. Soft greenery outlined the railing of the choir loft. In the center of each window was mixed greenery. An arrangement of fresh flowers marked the mother's pew and every other pew with greenery and white ribbon.

The candles were lit by Mr. Collins Wise and Mr. James Wise, cousins of the groom. Mrs. Mary Nolin, grandmother of the groom, was escorted by Mr. James Wise and Mrs. Mary Alice Wise, grandmother of the groom, was escorted by Mr. Collins Wise. After seating of the grandmothers, Miss Amelia Bedsole sang "Grow Old Along With Me". Mrs. Shirley Morgan was escorted by her son, Mr. J. G. Morgan. This occasion, she chose a lovely two-piece gray silk suit. Mrs. Kelley was escorted by her husband, Mr. Dwight Kelley. For her daughter's wedding, she chose a two-piece mauve suit.

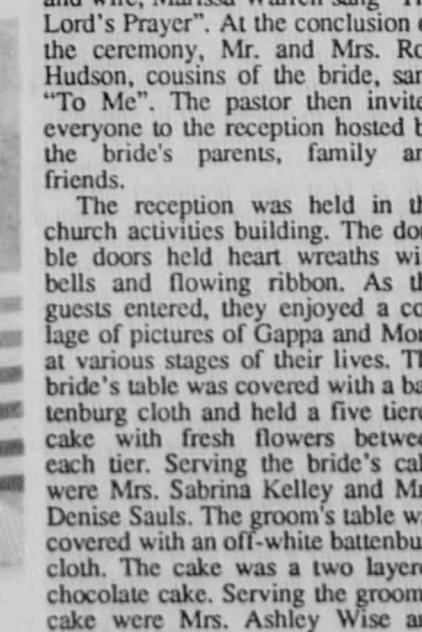

The wedding party entered the sanctuary as the pianist played and sang, "I Will Be Here". Mr. J. G. Morgan, brother of the groom, served as best man. Groomsmen were Mr. Wynn Grimes, Mr. Jason Moore, Mr. Troy Kelley, Mr. Chris Thomas, and Mr. Stan Salls, all of Elba.

Mrs. Kim Lowery, sister of the bride, served as matron of honor. Bridesmaids were Miss Karen Ellis, Miss Kristi Owens, Mrs. Mandy Jeffcoat, Miss Amy Osborn, all of Elba, and Miss Whitney Wise of St. Simons, GA. They wore floor length dresses of deep plum. Each attendant wore pearl and plum drop earrings given by the bride. They carried a hand-held bouquet of fresh flowers.

The bride was escorted to the altar by her father as the pianist played the traditional "Wedding March". The formal gown was of white tulle with a long train. The bride's hair was styled in a high, elegant updo. She wore a large, ornate tiara and a long veil. The groom wore a tuxedo with a white shirt and a black bow tie.

The bride's bouquet was composed of white roses, lilies, and carnations. The groom's boutonniere was a single white rose. The wedding cake was a three-tiered cake with white frosting and fresh flowers. The reception was held in the church fellowship hall.

The wedding is planned for November 2 at six o'clock in the evening at the First United Methodist Church of Enterprise.

Church News

PASTOR'S CORNER

Rev. MART GRAY
First Baptist Church

Ever feel like you've gotten down to the dregs of your energy and emotion? I must confess that's where I'm writing from this week. This is my fourth start on this writing project and I'm still quite unsure of what it is I want to say or how I wish to say it. Two deaths within our church family, another who is, at the time of this writing, most critically ill, and many in our community who are facing serious health problems have taken their toll on my spirits and, I'm sure, many others throughout our community. If it really does come in waves, we're due flat fast real soon as I see it.

Sunday was a special day in our church. We began our new church year on the first Sunday in October. So the building was abuzz with new teachers scampering to their classes, children finding their way to new rooms, different faces in leadership positions, and to top it all off it was a wonderful crisp Fall morning which seems to put a little extra bounce in everyone's step. Our worship service was out of the ordinary, as well. To signal the beginning of the new year, we had planned to celebrate the Lord's Supper and have a service of dedication for our deacon body. All in all, it had the trappings of a grand day.

Yet I didn't feel so grand. The prospects of leading our people through a worship experience gave me no spiritual jump-start, no special dispensation of ecclesiastical energy. I found myself having to be honest with God about my feelings and not at all out of any noble sense of integrity, I simply didn't have the energy or creativity to let No facade, no Sunday-morning "everything's O.K. smile", just spent emotions and a deep desire to throw in the towel. It was with this emotional milieu I faced the table of our Lord, which is to me the most powerful symbol of all that it means to be called a child of God.

The elements were passed, the bread, the broken, and the cup, the blood shed. And as I shared in the consumption of God's grace I was reminded of the overwhelming irony of Communion. We celebrate the hope of grace and at the same time remember the suffering of our Lord. That bittersweet dichotomy brought over my whole being a great sense of comfort. The Balm Gilead soothed as nothing else could have done. It is in the darkness of honest brokenness that we can see most clearly the light of hope that Christ offers to those who share in His grace.

For those few moments around the Lord's table, I knew that there was life and light and hope. And, though my spirit still sags, I am reminded again that the Christian life is not a life senza suffering, but rather it is a life that calls us to suffer with Christ and with our fellow man, knowing that He will give us strength for the day and hope for tomorrow. Hope in suffering is not a new concept to God; it is embodied in the elements of the Eucharist. He hears, He shares, He knows. In the words of a contemporary author, "Come take the bread; come drink the wine; come share the Lord!"

Curtis School Reunion planned for Oct. 12th

The eleventh annual Curtis School Reunion will be held Saturday, October 12, 1996. The Curtis School site is no longer available for the reunion, so it will be held at the Heart of Dixie Music Park. The music park is located one mile east of Danley's Cross Roads on Hwy. 84 near Elba. Bring food, drinks, and a lawn chair. All paper products and ice will be furnished. Linda Cannon will be honored as the Outstanding Alumnae. She and her siblings will be the family recognized to share memories. George Parker and siblings will also share memories. Registration will begin at 11:00 and lunch will be served at noon.

Five Star VFD sponsoring Barbecue October 12th

The Five Star VFD is sponsoring a National Fire Prevention Week Park Bar-B-Que on Saturday, October 12, 1996, from 10:30 a.m. until 1:00 p.m. Plates will be sold at the Five Star Fire Department for \$4.50 per plate. Plates include BBQ, rice, slaw, bread, and cake. Donations will be accepted.

Note Of Thanks

To all who helped in our time of need: We would like to say thank you and express our deepest appreciation for all of the kindness shown to our family in our time of need. There are no words that can truly express our appreciation to you for all of the help, money, and anything else you might have done. When everything is lost in a house fire, there is such devastation, you think you'll never get it back together, but thanks to people like you, things are coming together. The dark end of the tunnel is now becoming light again. We are trying to put our lives back together as best we can, and people like you make it easier.

May God bless each and every one of you.

Belcher-Manning wedding planned for Saturday, November 2nd

Mr. Manning & Miss Belcher

Desiring God's will for their lives and believing that it includes each other, Evelyn Yvonne Belcher and Michael Matthew Manning, together with their parents, Mr. and Mrs. Grover Belcher, Sr. and Mr. and Mrs. John E. Manning Jr. invite you to share in their joy as they are to be united in holy matrimony on Saturday, November 2, 1996 at 11:00 a.m. The ceremony will be held at the Rocky Head Missionary Baptist Church, Hwy. 125, Elba, AL. A reception will follow immediately in the church fellowship hall. Friends and family are invited to attend.

The bride is the daughter of Mr. and Mrs. Dwight Kelley of Elba. The groom is the son of Mrs. Shirley Morgan and the late James J. Wise, Jr. of Elba.

The stately doors of the church were adorned with white wedding bells and flowing white ribbon. Upon entering the church the guests registered in the bride's book which was attended by Miss Casey Corley, friend of the bride. The table held an arrangement of fresh flowers on a mirrored column.

Mrs. Marissa Warren of Elba provided a variety of musical selections on the piano as guests entered the beautifully decorated sanctuary. The choir loft was aglow with a large candle tree in the center and four nine-branch candle trees filled with greenery and beautiful fresh flowers. On each side of the sanctuary was a spiral candelabra with flowing greenery. Soft greenery outlined the railing of the choir loft. In the center of each table was a mixed greenery. An arrangement of fresh flowers marked the mother's and every other pew with greenery and white ribbon.

The candles were lit by Mr. Collins Wise and Mr. James Wise, cousins of the groom. Mrs. Mary Nolin, grandmother of the groom, was escorted by Mr. James Wise and Mrs. Mary Alice Wise, grandmother of the groom, was escorted by Mr. Collins Wise. After seating of the grandmothers, Mrs. Amelia Bedsole sang "Grow Old Along With Me". Mrs. Shirley Morgan was escorted by her son, Mr. James Wise. For this occasion, she chose a lovely two-piece gray silk suit. Mrs. Kelley was escorted by her husband, Mr. Dwight Kelley. The daughter's wedding, she chose a two-piece mauve suit.

The wedding party entered the sanctuary as the pianist played and sang, "I Will Be Here". Mr. Jetej Wise, brother of the groom, served as best man. Groomsman were Mr. Wynn Grimes, Mr. Jason Moore, Mr. Troy Kelley, Mr. Chris Thomas, and Mr. Stan Sauls, all of Elba.

Mrs. Kim Lowery, sister of the bride, served as matron of honor. Bridesmaids were Miss Karen Ellis, Miss Kristi Owens, Mrs. Mary Ann Ellis, Miss Amy Osborn, all of Elba, and Miss Whitley Wise of St. Simons, GA. They wore floor length dresses of deep plum. Each attendant wore pearl and plum drop earrings given by the bride. They carried a hand-held bouquet of fresh flowers.

The bride was escorted to the altar by her father as the pianist played the traditional "Wedding March". The groom was of white tuxedo, white shirt, and white bow tie. The bride wore a white gown with a heavy lace with scattered pearls. The train attached to the back with three ruffles and flowing ribbon. She chose a two-tier fingertip veil veiled to a coronet of rosebuds and pearls. She carried a stemmed bouquet.

The double ring ceremony was officiated by Dr. Tony Dye, pastor of Westside Baptist Church. Before the wedding, Mrs. Warren sang "The Lord's Prayer". At the conclusion of the ceremony, Mr. and Mrs. Rob Hudson, cousins of the bride, sang "To Me". The pastor then invited everyone to the reception hosted by the bride's parents, family and friends.

The reception was held in the church activities building. The double doors held heart wreaths with bells and flowing ribbon. As the guests entered, they enjoyed a collage of pictures of Gappa and Mona at various stages of their lives. The bride's table was covered with a batwing cloth and held a five tiered cake with fresh flowers between each tier. Serving the bride's cake were Mrs. Sabrina Kelley and Mrs. Denise Sauls. The groom's table was covered with an off-white batwing cloth. The cake was a two layered chocolate cake. Serving the groom's cake were Mrs. Ashley Wise and Miss Lisa Grimes.

The punch table was covered with a white batwing cloth. A large silver punch bowl nestled in greenery held the punch. Silver candelsticks given to the bride's parents on their 25th wedding anniversary, were used on the other side. Serving the punch were Miss Misty Kelley and Miss Cammie Kelley.

The reception area held long tables in a cross pattern covered by a floral arrangement of fresh flowers. The tables were covered with white batwing cloths and contained a variety of delicious foods prepared by family and friends. Tables covered in white cloths centered with stick figures and greenery were arranged for the guests to enjoy. After a three day cruise to the Bahamas, the couple is residing in Elba.

Directors of the wedding and reception were Mrs. Barbara Hudson and Mrs. Henrietta Grimes.

Church News PASTOR'S CORNER Rev. MART GRAY First Baptist Church

Ever feel like you've gotten down to the dreps of your energy and emotion? I must confess that's where I'm writing from this week. This is my fourth start on this writing project and I'm still quite unsure of what I want to say or how I wish to say it. Two deaths within our church family, another who is, at the time of this writing, most critically ill, and many in our community who are facing serious health problems have taken their toll on my spirits and, I'm sure, many others throughout our community. If it really does come in waves, we're due flat seas real soon as I see it.

Sunday was a special day in our church. We begin our new church year on the first Sunday in October. So the building was abuzz with new teachers scrambling for their classes, children finding their way to new rooms, different faces in leadership positions, and to top it all off it was a wonderful crisp Fall morning which seems to put a little extra bounce in everyone's step. Our worship service was out of the ordinary, as well. To signal the beginning of the new year, we had planned to celebrate the Lord's Supper and have a service of dedication for our deacon body. All in all, it had the trappings of a grand day.

Yet I didn't feel so grand. The prospects of leading our people through a worship experience gave me no spiritual jump-start, no special dispensation of ecclesiastical energy. I found myself having to be honest with God about my feelings and not at all out of any noble sense of integrity. I simply didn't have the energy or creativity to lie! No facade, no Sunday-morning "everything's O.K. smile", just spent emotions and a deep desire to throw in the towel. It was with this emotional milieu I faced the table of our Lord, which is to me the most powerful symbol of all that it means to be called a child of God.

The elements were passed...the bread...the body broken...and the cup...the blood shed. And as I shared in the consumption of God's grace I was reminded of the overwhelming irony of Communion. We celebrate the hope of grace and at the same time remember the suffering of our Lord. That bittersweet dichotomy brought over my whole being a great sense of comfort. The Balm of Gilead soothed as nothing else could have done. It is in the darkness of honest broken-ness that we can see most clearly the light of hope that Christ offers to those who share in His grace.

For those few moments around the Lord's table, I knew that there was life and light and hope. And, though my spirit still sags, I am reminded again that the Christian life is not a life senza suffering, but rather it is a life that calls us to suffer with Christ and with our fellow man, knowing that He will give us strength for the day and hope for tomorrow. Hope in suffering is not a new concept to God; it is embodied in the elements of the Eucharist. He hears, He shares, He knows. In the words of a contemporary author, "Come take the bread; come drink the wine; come share the Lord!"

Curtis School Reunion planned for Oct. 12th

The eleventh annual Curtis School Reunion will be held Saturday, October 12, 1996. The Curtis School site is no longer available for the reunion, so it will be held at the Heart of Dixie Music Park. The music park is located one mile east of Danley's Cross Roads on Hwy. 84 near Elba. Bring food, drinks, and a lawn chair. All paper products and ice will be furnished. Linda Cannon Westbrook will be honored as the Outstanding Alumnae. She and her siblings will be the family recognized to share memories. George Parker and siblings will also share memories. Registration will begin at 11:00 and lunch will be served at noon.

Five Star VFD sponsoring Barbecue October 12th

The Five Star VFD is sponsoring a National Fire Prevention Week Pork Bar-B-Que on Saturday, October 12, 1996, from 10:30 a.m. until 1:00 p.m. Plates will be sold at the Five Star Fire Department for \$4.50 per plate. Plates include BBQ, rice, slaw, bread, and cake. Donations will be accepted.

Note Of Thanks

To all who helped in our time of need:
We would like to say thank you to all of the kindness shown to our family in our time of need. There are no words that can truly express our appreciation to you for all of your gifts, money, and anything else you might have done. When everything is lost in a house fire, there is such devastation, you think you'll never put it back together, but thanks to people like you, things are coming together. The dark end of the tunnel is now becoming light again. We are trying to put our lives back together as best we can, and people like you make it easier.

May God bless each and every one of you.

EHS Librarian Honored

Mrs. Margaret Calhoun, EHS's Library Media Specialist, was honored at this year's LAMP (Library and Media Professional) workshop. The Award for Exceptional Service was presented to eight of Alabama's very best School Library Media Specialists. Mrs. Calhoun is one of this year's eight recipients. Along with Mrs. Calhoun at the Montgomery session were honorees Susan Phares of Enterprise High and Judy Reeves of Windham Elementary in Daleville.

LAMP workshops bring together Alabama library professionals in a mini-convention setting in five different regions across the state. In addition to new products and materials displayed and demonstrated, a brief general session is followed by educational sessions. Presenters and topics for this year were Kathryn Tucker Windham with "Secrets of Storytelling," Lisa Churchill with a debate on "Books vs. Technology" and Ann White, South Carolina educator and humorist, with a session on "Public Relations."

EHS is proud to have educators of Mrs. Calhoun's caliber working in pursuit of excellence in our school.

Test-Taker's Checklist For ACT

Basic Strategies

- Budget your time. Work swiftly. Don't linger over difficult questions.
- When you must guess, guess. There is no penalty for guessing, so answer every question.
- Read each question carefully. Answer the question asked, not the one you may have expected.
- Save the hardest questions for last.
- Mark answers cleanly and accurately. Check the numbering of your answer sheet often. Erase cleanly; leave no stray marks.
- Change answers if you have a reason for doing so. However, it's usually best not to change based on a hunch or whim.

Tiger Reps Selected

by D'Undray Peterson

Tiger Reps were selected by Mr. Charles Clark and Mr. Mack King in the school year of 1992-93. The Tiger Reps are chosen by a committee of teachers. The students are recommended and their grades have to be in good academic standing. Six girls and six boys are chosen and 2 alternates for each group, boy and girl.

The Tiger Reps will represent Elba High School at specialized events by welcoming visitors and offering help and directions where needed. Tiger Reps are ambassadors for our school and will present many visitors with their first and most lasting impression of our school. The benefit for being a Tiger Rep include the honor and prestige of being chosen as a model to present our school image to visitors. Also free admission and parking at all sporting events are offered.

The 1996-97 Tiger Reps are: Josh Mack, D'Undray Peterson, Trent Calhoun, Mandy Knighton, Melissa Benbow, Jason Jordan, Princess Fleming.

Melanie wanted to go to the Elba-Headland football game Friday night, but after roaming around during the first game of the season she had to promise to sit still, watch the game, and be able to tell me what happened when she got home. Well, I don't know if she really sat still, but she did know the score, could tell me all about the fight and even drew me a diagram showing me how Elba scored one of its touchdowns. If she watches a few more, we may just have a future coach on our hands!

ELBA TIGERS SNAP LOSING STREAK WITH BIG WIN

The Elba Tigers put an end to their five-game losing streak Friday night and did so with a vengeance as they pounded the Headland Rams 44-0 to improve to 1-4 on the season, 1-0 in Class 3A. Area competition. I'd been saying all along the Tigers weren't really as bad as their record would make you think, and even though the losses were disappointing, the Tigers' losses to Charles Henderson, Luveme, Opp and Georgiana weren't exactly losses to weak sisters. Elba proved Friday night that it wasn't an 0-4 football team, and put an exclamation mark at the end of the sentence with the lopsided win over an Area foe!

The Elba offense finally began to show some consistency Friday night and led by the sudden emergence of quarterback Troy Bryan rolled up and down the field against the Ram defense. Bryan had been frustrated in the Tigers' opening four games and had been unable to break loose running or passing; however, in the win over Headland the senior signal-caller took charge and looked like the quarterback of a year ago that was a threat every time he took a snap from center. Bryan's return as the leader on offense gave the Tigers a much needed weapon and sparked the offense to the scoring explosion. Another area of improvement Friday night was in the offensive line, which has fought through all the criticism and never once backed down from its opposition. The line was very young and in-

experienced at the beginning of the season, but learned its lessons on the field and Friday night showed signs of moving to the top of the class. It was a good night for the offense, and one that Elba fans will simply be the first of many good nights in weeks to come.

The defense has played well all season long, and Friday night turned in another winning performance as it totally shut down the potent Headland offense. The Tigers took away the option from the Rams early in the game and harassed the visitors throughout the contest, making it "No Contest!" The Tiger defense was tired of losing and in the shutout win took command early and never let up. It was one of the best defensive outings in years for the Tigers, and gave Elba fans hope for the rest of the season. The play of defensive ends Larry Rayborn and Wesley Johnson was steady throughout the game, linebackers Todd McKee and Ronnie Davis were solid, and the out-sized line simply used its quickness to beat Headland to the point of attack. It was an impressive defensive performance.

The most asked question after Friday night's game was "Was Elba really that good, or was Headland that weak?" The answer is a little bit of both. The Tigers did have a very good game on both sides of the ball and when they tasted success they wanted more, while Headland may have underestimated the Tigers after looking at their 0-4 record and were already knocked on the canvas before it even realized the fight had started. Remember what I said early on - A team is never as bad as one thinks after a loss, and never as good as one thinks after a win. Friday night the Elba Tigers won, and won big. However, it was only one win and can't be over-emphasized when Tiger fans look ahead. The Tigers still have a lot of work to do to become a state title contender, and still need the support of all the Tiger fans as the season rolls along. It was fun, but there is still plenty of work left to do.

AREA TEAMS ENJOY MIXED SUCCESS IN WEEK #5

The fifth week of the high school football season has come and gone, and it was a week filled with mixed results for the area teams as the four teams in the area claimed two wins and two losses. Here's a quick look back at the week's action.

***NEW BROCKTON (2-3) got back into the win column with a surprisingly tough 13-6 win over the winless Red Level Tigers. The Gamecocks' usually potent offense made some mistakes that kept it from visiting the endzone throughout the second half, and if not for the Brockton defense,

the Gamecocks might have been the Tigers' first victim in almost two years. The Gamecocks proved they could play defense, but have yet to put the whole package together.

***KINSTON (2-3) snapped its three-game losing streak with an impressive 33-21 win over G.W. Long, and Bulldogs fans are hopeful that the "Dogs are finally ready to take charge and make a run at the playoffs. The Bulldogs fell behind twice in the game and could have quit, but never even thought about losing and got stronger and stronger as the game went along to pull out the win. Kinston's power-running game finally made an appearance, and if it will stick around, more wins will be coming real soon.

***ZION CHAPEL (1-4) played hard for all four quarters, but simply couldn't score enough points to win, and lost to Lyman Ward 13-8. The Rebels were expected to pile up the wins when their schedule was released last spring, but two of the "sure" wins over Thorby and Lyman Ward have turned into losses, and all of the sudden the Rebels appear to be headed for a season to forget. The effort of the players can't be questioned, it is simply one of those years and the only good thing about the season is that it is half over.

***BRANTLEY (2-3) lost for the third straight week, but looked like anything but losers Friday night in their 21-0 setback to the Luveme Tigers. The Bulldogs battled the highly-ranked Tigers to a scoreless 0-0 deadlock until late in the second quarter, and never backed down the entire game despite being outmanned. Brantley has one of the youngest high school teams in the state, starting three seniors, three juniors, three sophomores, one freshman and one eighth-grader, and you know that these "Dogs will remember the tough times when they gain experience.

ANOTHER EXCITING WEEK OF ACTION AROUND THE STATE

It was another exciting week of high school football action around the state and the local area, and it begins to look like it will become pretty clear just how good teams really are. Here's a look back at what happened in week #5 in all six classes...

***CLASS 6A - Top-ranked Central, of Tuscaloosa, had its offense slowed down a bit, but the Falcons still scored 38-6 over a very good team from Jess Lanier, while Tiger kept pace and also moved to 5-0 with a 63-0 spanking of Baker. Closer to home, Dothan won the battle, but may have lost the war, as the Tigers defeated Carver 20-14, but lost star running back Wayne Thomas to a broken leg. Enterprise won over designated patsy Selma 41-6, and Jeff Davis got a big 20-14 win over #4 Prattville.

***CLASS 5A - Top-ranked Blount continued to be impressive with a 38-0 win over LeFlore, while Birmingham's Parker remained unbeaten with a 26-0 win over West End. Closer to home, Eufaula improved its record to 5-0 with a 35-6 win over Carroll, and Andalusia continued its climb back toward the top with a solid 35-17 win over Charles Henderson. Greenville dumped Opp 28-14 to move atop the Area standings, and Monroe County had a tough time before edging past Wilcox-Central, 16-12.

***CLASS 4A - The rich only got richer in the 4A ranks as top-ranked Alexandria waxed Litchfield 49-19, #2 T.R. Miller spanked Escambia County 48-7 and #3 W.S. Neal ripped Grand Bay 34-0. Closer to home, Ashford made it look easy with a 42-10 romp past Houston County and Daleville took it on the chin 27-24, in overtime, from Cottonwood.

***CLASS 3A - Top-ranked B.B. Comer had an easy time in whipping Central-Coosa 36-0, while #3 Colbert County suffered its first loss in an 8-7 setback to Deshler and #8 Trinity improved to 5-0 with a solid 10-0 win over Daleville. Closer to home, Elba got its first win of the season with a big 44-0 romp past Headland and Rebooth remained winless, but gave a real fight before falling to Geneva County 20-14.

***CLASS 2A - Top-ranked Clay County claimed its fifth straight shutout victory with a 42-0 win over Randolph County, while #3 Georgiana scuffled past Goshen 30-14. #4 Luveme eased past Brantley 21-0 and eighth-ranked Tanner rebounded from last week's one-point loss to Hazlewood with a 48-6 win over West Limestone. Closer to home, Wicksburg got its first win with a 14-0 win over Arion, Slocomb upset Abbeville 14-0 and Louisville got into the win column with a 30-6 romp past lowly Clayton.

***CLASS 1A - Top-ranked Mapleview made it look easy with a 38-6 win over Jemison, while #2 Addison blanked McKee 19-0 and #5 Courtland won its first game of the season, Houston Academy suffered its first loss at the hands of Montgomery Academy 10-0 and Leachapoka stunned Beulah 20-7.

POLISH PROGNOSTICATOR STUMBLES IN WEEK #5 PICKS

Ye Ole Polish Prognosticator slipped a bit last week with nine misses, but came through with 49 correct picks and pushed his yearly totals to 198-41, which is an 83 percent rate of success. He was mourning over the week-end about how it gets harder each and every week to pick the winners, but he did leave his picks for week #6 and here they are....

ELBA VS. GENEVA

The Elba Tigers got win #1 last week and will be fired up Friday night when former-Elba Tiger great Leavy Boutwell brings his Geneva Panthers to town. The Panthers have improved weekly under Boutwell's guidance; however, he knows first-hand how tough the Tigers can be at home, and will get a refresher course Friday night!

ELBA 20 GENEVA 6

The Elba Tigers got win #1 last week and will be fired up Friday night when former-Elba Tiger great Leavy Boutwell brings his Geneva Panthers to town. The Panthers have improved weekly under Boutwell's guidance; however, he knows first-hand how tough the Tigers can be at home, and will get a refresher course Friday night!

FRISCO CITY VS. BRANTLEY

The Brantley Bulldogs battled until the final horn last week in their loss to Luveme, and such an effort this week will no doubt keep them in the hunt this week against the Whippets from Frisco City. Brantley needs a win to keep its playoff hopes alive, and while an upset could be brewing, the guess here is for Frisco City to leave town with a hard-earned win.

FRISCO CITY 14 BRANTLEY 12

STRAUGHN VS. KINSTON

The Kinston Bulldogs flexed their muscles last week in an impressive win over G.W. Long, but will find the going a little tougher this week when the Straughn Tigers come calling. The Bulldogs will have a chance of pulling off the upset if they can control the line of scrimmage; however, Straughn may simply have too much for the "Dogs to handle.

STRAUGHN 27 KINSTON 14

GOSHEN VS. NEW BROCKTON

The Gamecocks used their defense to lead the way last week in their win over Red Level, and this week face a must-win situation in a key Area match-up against the Goshen Eagles. The Eagles are coming off two straight losses and need a win bad. So, the vote here goes to the Eagles.

Elba slams Rams 44-0

By Ricky Mularz, Sports Editor

The Elba Tigers took out a season of frustration on the Headland Rams Friday night and made a statement to future opponents as they pounded the Rams 44-0, in Elba.

The win improved Elba's record to 1-4, 1-1 in Area 3 play, while Headland fell to 1-4, 0-1 in Area 3 competition.

Elba failed to move the chains on its first possession of the night, but got the ball right back on a Headland punt, and wasted no time getting into the endzone as Marcus Tillis fielded the Ram punt at the 35-yardline and raced 65 yards for a Tiger touchdown.

A two-point try failed, but with 9:49 left in the first quarter, Elba

was on the scoreboard with a 6-0 lead.

Elba's next possession began at its own 11-yardline, and this time the Tigers marched 89 yards in 12 plays to extend their lead to 14-0.

Quarterback Troy Bryan sparked the scoring drive as he gained 29 yards on five carries and hit on two of two passes for 50 yards, with the touchdown coming on a 33-yard toss to Marcus Tillis. Bobby Burks ran in with the two-point conversion, pushing Elba's lead to 14-0 with :09 remaining in the opening stanza.

The Tigers got the ball back at their 42-yardline following a short 20-yard punt, and five plays later were right back in the Headland endzone!

Bobby Burks gained 20 yards on three carries to get the drive started, while D'Undray Peterson capped the quick scoring march with a 33-yard touchdown run. Todd McKee kicked the extra-point, and with 7:00 left in the half the Tigers were on their way with a 21-0 advantage.

A 25-yard Headland punt gave the ball to the Tigers at the Rams 28-yardline midway through the second quarter, and one play later the Elba fans were back on their feet, as D'Undray Peterson bulled 10 yards for another Tiger tally. Todd McKee tacked on the extra-point, as Elba's lead went to 28-0 with 3:52 left in the half.

The Tigers began their next offensive series at the Headland 40-yardline and once again headed

goalward, this time covering 40 yards in only two plays.

A 35-yard pass from Troy Bryan to Josh Dawkins was a key play in the drive, which was climaxed when D'Undray Peterson scored on a 5-yard run. McKee's extra-point was true, and with 1:43 still left in the half the Tigers were in complete command with a 35-0 lead.

Elba's Derrick Jones intercepted a Headland pass and returned it 19 yards to the Ram 25-yardline to set the Tiger offense up early in the third quarter, and once again the Tigers wasted little time getting into the endzone.

D'Undray Peterson gained 10 yards on two carries to get the short drive off to a quick start, while Bobby Burks got the touchdown on a 5-yard dash. Todd McKee nailed the extra-point, pushing the Tigers' lead to 42-0 with 8:35 left in the third quarter.

Elba linebacker Ronnie Davis intercepted a Headland pass at the Ram 33-yardline on the ensuing possession to put the Tigers right back in business, but this time the Tigers failed to get in the endzone, as the Rams staged a goal-line stand to stop Elba at the two-yardline.

One play later Headland quarterback Jay Lawrence was tackled in the endzone by Garrett Boutwell, and with 3:40 still left in the third quarter Elba's lead had ballooned to 44-0 and the Tigers' first win was in the bag!

Elba's Jawaune Hughes recovered a Headland fumble early in the fourth quarter to give the Tigers a chance to add to their lead, but the Tigers gave the ball right back on a fumble at the Ram 43-yardline to kill the opportunity.

Elba lost a fumble on its next series and turned the ball over on downs on its next possession, as the Tiger reserves got into the act and mopped up the impressive 44-0 win.

D'Undray Peterson gained 79 yards on 9 carries and scored three touchdowns to lead the Elba ground attack, while Troy Bryan added 39 yards on five carries, Alex Daniels gained 34 yards on four carries, and Bobby Burks added 31 yards on ten totes.

Larry Rayborn and Julian Mitchell both made six solo tackles to pace the Elba defense, while Ronnie Davis had five tackles, one assist and a pass interception.

Host 4A Geneva Panthers Friday night

Tigers looking for second straight win

The Elba Tigers will renew one of their former football rivalries Friday night when they close out a four-game homestand against the vastly-improved Geneva Panthers.

The Tigers will bring a 1-4 record into the clash, while Geneva will enter the game with a 2-3 slate.

Elba put an end to its five-game losing streak last week with a convincing 44-0 romp past Headland in a key Area 3 battle, and will be looking to gain momentum for a trip to the 3A playoffs against the 4A Panthers.

"Last week's win was one we needed real bad to get the monkey off our back," stated Elba's Coach David Lowery, "but that win is in the past, and this week we are facing a very solid and well-coached football team in Geneva."

The Panthers, coached by former-Elba football standout Leavy Boutwell, have begun the trip back to football respectability after years of struggling, and will bring a 2-3 mark into Friday night's clash with the Tigers.

Geneva opened the season with a 23-6 loss to 2A Geneva County, but then went on a two-game winning streak with narrow wins over 3A Rehobeth 14-13 and 2A Slocomb 21-20. The Panthers will enter the game on the heels of a two-game losing skid, with losses coming at the hands of 2A Cottonwood 39-7 and 2A Samson 20-6.

"Geneva has made giant strides under Coach Boutwell and is a vastly improved football team from years past," added Lowery. "They are big and physical up front and have some quality backs with excellent speed. On offense they play it pretty close to the vest and try not to make mistakes. They can line up and run over you if you are not physical and ready to go to war, and we'll have to play really tough up front to control the line of scrimmage."

"On defense they play solid on every down and make you work for every yard," added Lowery. "They are big and strong in the line, have quick linebackers and go to the line."

"We know Coach Boutwell will have his players fired up when they get here and that Geneva will play its best game of the season against us," said Coach Lowery. "It will take a maximum effort from everyone on our team to win the game, and while we know it won't be easy, we are confident that if we do play our best we'll be okay."

When asked about last week's 44-0 win over Headland, Coach Lowery stated "It was a big win and it finally got the monkey off

our back after suffering through five straight losses. The players were tired of losing, the coaches were tired of losing and our fans were tired of losing. That streak is now over, and from now on out we'll concentrate on getting better each and every week, and we'll try to start a new streak - a winning streak!"

"The offense got good field position for much of the game and took advantage of the field position to put some points on the scoreboard," added Lowery, in his second year at the Elba helm. "Troy Bryan had a big night running the offense and was effective both running and passing, and the blocking was improved and has finally begun to be consistent. The offense had struggled in the first four games, but showed what it could do Friday night and enjoyed a big night. The defense was dominant throughout the game and continued to play winning football. We were able to set the tone of the game on defense, and everyone on the defensive side played hard against a good offensive club."

"It was a much needed win," stated Coach Lowery, "and one that will hopefully get us back on track with a lot of football still left this season."

PREP FOOTBALL PREVIEW

FRIDAY, OCTOBER 11

FRISCO CITY (5-0) AT BRANTLEY (2-3)

The Brantley Bulldogs will put their playoff hopes on the line Friday night when they host the undefeated Frisco City Whippets, in a key Class 1A, Area 3 clash. The Bulldogs opened the season with wins over Straughn 21-14 and Red Level 30-8 to give their fans hopes of another trip to the post-season party; however, three straight losses by a combined score of 98-22 have the "Dogs reeling, and a loss this week will leave Brantley with an 0-2 Area 3 slate, and eliminate the Bulldogs from the playoffs. Frisco City has been one of the surprise teams of the 1A ranks this season in rolling to wins over A.L. Johnson 6-3, J.F. Shields 20-14, Sweet Water 25-23, Florala 33-6 and John Essex 44-14. While the level of competition has not been as tough as that faced by Brantley, the Whippets have been winning, and winning is often contagious. On paper this one looks like another loss for the Bulldogs, but Brantley will be at home and will fight until the final horn to keep their playoff hopes alive!

STRAUGHN (3-2) AT KINSTON (2-3)

The Kinston Bulldogs will continue their tour through the 2A ranks Friday night when they host the Straughn Tigers. Kinston snapped a three-game losing streak last week with an impressive 31-21 win over G.W. Long, and was impressive on both sides of the football. The Bulldog offense dominated the line of scrimmage with its physical line and hard-running backs, and over on defense the "Dogs pitched a shut-out in the second half. The Kinston team that showed up last week was the team everyone expected when the season began, and its arrival was a welcome sight. Straughn dropped its opening two games to Brantley 21-14 and Baker 35-8, but has bounced back with a vengeance and has upped its record to 3-2 with wins over New Brockton 41-21, Goshen 19-15 and Florala 49-22. The Tigers have put the early losses behind them and are now looking at the playoffs, a goal that certainly appears within their reach. If the real Bulldogs show up this one could be a true football battle. If not, the Tigers could win easily.

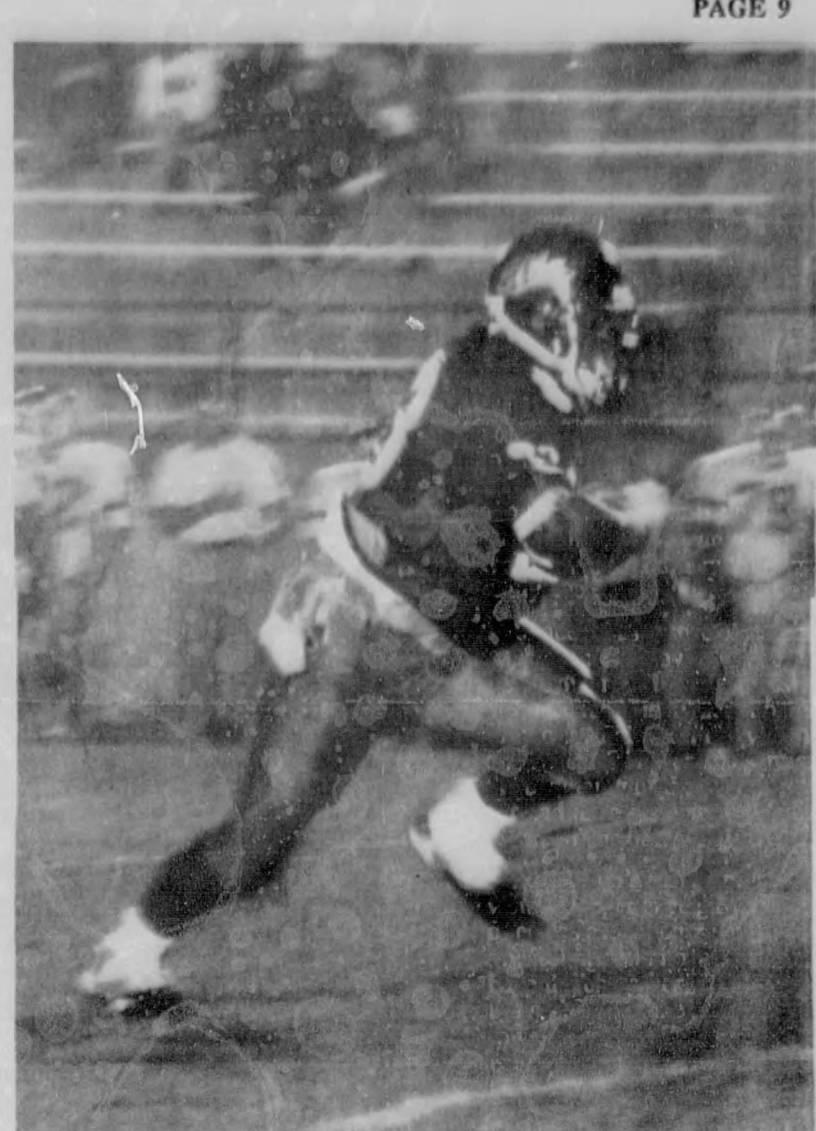

GOSHEN (3-2) AT NEW BROCKTON (2-3)

The New Brockton Gamecocks will find their playoff hopes on the line Friday night when they host the Goshen Eagles, in an important Class 2A, Area 4 clash. The Gamecocks snapped a two-game skid last week with a 13-6 win over Red Level, and unlike games past, Brockton won the game the "old fashioned way," with defense. The Gamecocks had given up over 35 points per game during the season, putting pressure on its explosive offense to put points on the scoreboard on every possession. The defensive emergence could take some of the pressure off and add a new dimension to the Brockton attack. Goshen opened the season with wins over Arion 38-6, Colleville 48-13 and Brantley 46-7 to move high in the 2A polls, but just when the Eagles began to think about state titles, losses to Straughn 19-15 and Georgiana 30-14 brought the Eagles crashing back down to earth. This Area 4 clash is important for both teams, and you can bet both squads will hold nothing back in their fight for the playoffs.

ZION CHAPEL (1-4) - OPEN DATE

The Zion Chapel Rebels will get a much needed rest this week as they enjoy an open date before resuming their schedule next week against the Isabella Mustangs.

New Brockton defense shines in 13-7 win over Red Level Tigers

Statistics By D'Anthony Brown, Sports Editor

The New Brockton Gamecocks put two early touchdowns on the scoreboard and then turned matters over to their defense Friday night as they posted a 13-7 win over the Red Level Tigers, in New Brockton.

The win improved New Brockton's record to 2-3, while Red Level slipped to 0-5 with the loss.

Red Level lost a fumble on its first possession, but held on to the football on its second series and marched the length of the field to grab an early lead.

Joey Curry hit Kenja Welcher with a 25-yard pass during the drive, and the elusive Tiger quarterback also notched the touchdown on a 42-yard scamper. The extra-point try failed, but with 5:07 left in the first quarter the Tigers were on top 6-0.

The Gamecocks were forced to punt on their ensuing series; however, the Gamecocks got the ball right back on a fumble recovery by Eric McLean, and promptly drove 53 yards in seven plays to take the lead.

A 25-yard pass from Jason Allums to Eric McLean was a key play in the scoring drive, while the score came on a 20-yard dash by Lee Flowers. Sebastian Cormier added the extra-point, and with 9:19 left in the half the Gamecocks moved ahead 7-6.

Red Level failed to move on its next possession, but New Brockton was ready to get back in the end zone, and needed only one play to accomplish its goal as Jerry Haynes sprinted 70 yards to paydirt. The extra-point try failed, but the Gamecocks were on top 13-6 with 6:46 remaining in the half.

Red Level threatened late in the half after a pass interception, only

to be stopped by the Gamecock defense and the clock, which reached :00 with New Brockton still clinging to a 13-6 lead.

The Gamecocks' Robert Fleming returned the second half kickoff 40 yards to set New Brockton up at the Red Level 40-yardline, but the Gamecocks failed to cash in on the scoring chance, and carried their slim 13-6 lead into the fourth quarter.

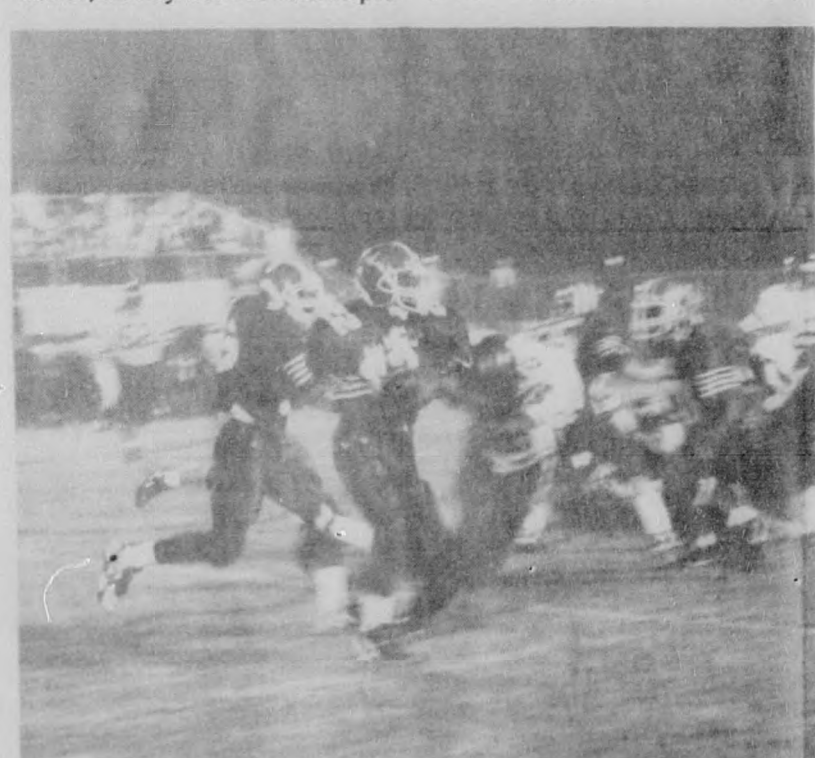

The Tigers threatened to score twice in the fourth quarter behind the running and passing of Joey Curry, but two big quarterback sacks by Jerry Haynes and a pass interception by Lee Flowers helped

the Gamecocks hold on late to preserve the 13-6 victory.

Jerry Haynes gained 126 yards on 19 carries to lead New Brockton, while Lee Flowers added 66 yards on 11 carries.

Joey Curry gained 69 yards on 15 carries and passed for 89 yards to lead Red Level.

Brantley blanked by Luverne 21-0

By Ricky Mulaz, Sports Editor

The youthful Brantley Bulldogs continued their on-the-job training Friday night against the fourth-ranked Luverne Tigers, and battled until the final horn before coming out on the short end of a 21-0 decision, in front of a standing-room-only crowd at Brantley's homecoming.

The loss was the third straight for the Bulldogs and left Brantley with a 2-3 record, while Luverne improved its slate to 5-0 with the win.

Brantley failed to mount an offensive threat on its first possession of the night; however, the Bulldogs brought the home fans to their feet on their second series as they marched to a first down at the Luverne 47-yardline behind the passing of Nathan Nichols to Kevin Grell, and the running of Robert Daniels.

The Bulldogs got as close as the Luverne 41, but six yards on an errant pitch-out, and saw the drive stall.

The Brantley defense throttled the high-powered Luverne offense for much of the first half, but the Tigers finally got on track late in the second quarter and drove 61 yards in six plays to get on the scoreboard.

A 17-yard pass from Keon Carter to Heath Lowery and a 12-yard scamper by Carter were key plays in the scoring drive, while the score came on a 14-yard dash by Rodney Lowery. Sheanun Samples added the extra-point, and with 2:27 left in the half the Tigers were up 7-0.

A 36-yard kickoff return by Brantley's Edward Burnett and a 15-yard pass against Luverne gave the Bulldogs a first down at the Luverne 38-yardline in the closing minute of the stanza, but the Bulldogs offense simply couldn't

budge the Tiger defense, and at intermission Brantley went in trailing their cross-county rivals 7-0.

Luverne received the second half kickoff and marched 64 yards in eight plays to up its lead to 14-0.

A 38-yard pass from Keon Carter to Buck Jones on third down and two was a key play in the drive, while it was Carter that scored the touchdown on a 7-yard scramble. Samples added the extra-point to give the Tigers a 14-0 advantage with 7:32 left in the third quarter.

Luverne got the ball back at its 44-yardline following a Brantley punt and this time marched 56 yards in only five plays to take a big 21-0 lead.

A 33-yard scamper by Corey Green sparked the scoring march, which was climaxed when Green bolted over from two yards out.

Brantley's Robert Daniels (2) bursts through a hole in the Luverne defense for a first down. The Bulldogs will host Frisco City Friday night in a key 1A Area match-up.

Samples tacked on his third extra-point of the night, and with 3:16 still remaining in the third quarter Luverne's lead was up to 21-0.

A pass interception by Brantley's Edward Burnett gave the Bulldogs' offense excellent field-position near midfield early in the fourth quarter, and when Gregory Daniels burst 15-yards up the middle, the Bulldogs had a first down at the Luverne 41-yardline.

A holding penalty backed the Bulldogs up and killed the scoring chance; however, as Brantley saw its final scoring opportunity of the game go by the board.

Luverne threatened again in the closing minutes and drove 80 yards in 11 plays to reach a first down at the Brantley 14-yardline, but the Tigers inserted their second unit into the game following the fourth first down of the march, and the

Bulldogs stopped Luverne's reserves cold as the game ended with Luverne claiming the 21-0 win.

Freshman tailback Robert Daniels gained 28 yards on 14 carries to lead Brantley, while 8th grade fullback Gregory Daniels added 21 yards on three totes.

Keon Carter gained 124 yards on 18 carries and Corey Green added 112 yards on 12 carries to lead Luverne.

Zion Chapel falls short in 13-8 loss to Lyman Ward

By Cade Shiver, Sports Editor

The Rebels of Zion Chapel played host to the Fighting Rangers of Lyman Ward Friday night in a battle that lasted until the final horn, and when the horn sounded, a Zion Chapel comeback attempt had fallen short as Lyman Ward left with a 13-8 victory.

Lyman Ward received the opening kickoff and promptly began a long 11-play drive that covered 65 yards and ate up over six minutes of the clock. Royal Clackum climaxed the drive with a short touch down run, and with 5:38 left in the first quarter the Rangers had drawn first blood and were on top 7-0.

Zion Chapel showed offensive life of its own on the ensuing possession as the Rebels drove to the Lyman Ward 33-yardline behind the running of Tim Alcui. An incomplete pass on the eighth play of the drive killed the early threat; however, and the Rebels remained behind 7-0 at the end of one quarter of action.

Lyman Ward recovered a Rebel fumble at the Zion Chapel 29-yardline midway through the second quarter and the Rangers responded with a nine-play drive to increase their lead to 13-0.

Lyman Ward converted on two fourth down gambles during the short scoring drive, and got back into the end zone on a one-yard plunge by Caleb Unstead. The extra-point try failed, but with 5:25 left in the half the Rangers were in command with a 13-0 lead.

Zion Chapel coughed up the football on the ensuing kickoff to put the Rangers back in business at the Rebel 27-yardline, but this time the Rebels defense was up to the task, and turned the ball back over

to the ZC offense at its own 20-yardline.

Three plays netted two first downs as the Rebels seemed determined to get back in the ballgame, and on the fourth play of the possession the Rebels did just that, as Tim Alcui fought off a tackle at the line of scrimmage and raced 53 yards for a Zion Chapel touchdown.

Shawn Smart pulled in a two-point pass, and the Rebels were within 13-8 late in the half.

Lyman Ward answered the Rebel score with a drive to the Zion Chapel 8-yardline, but time ran out and at the half the Rangers were still holding on to a 13-8 advantage.

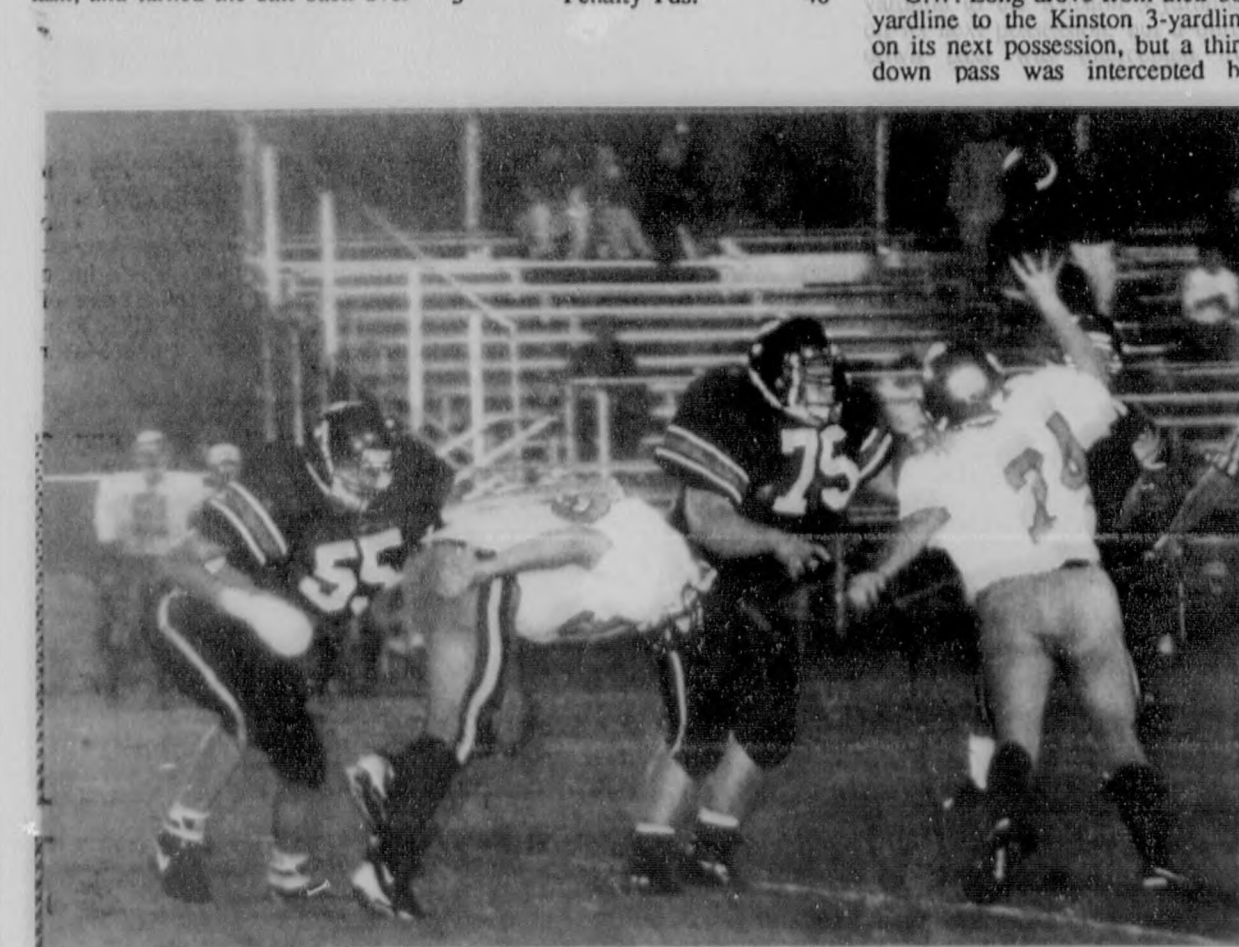

Lyman Ward again threatened midway through the third quarter and reached a first down at the Rebels' 12-yardline, only to once again be turned back by the aggressive ZC defense.

The Rebel defensive stand was climaxed when Billy Kelley stripped the football away from a Ranger runner, and the big defensive play kept the Rebels within striking distance.

Zion Chapel had one final chance to pull out the win late in the game, but failed to reach the end zone, and Lyman Ward held on to claim its first win of the season.

Tim Alcui gained 117 yards on 18 carries and scored a touchdown to lead Zion Chapel.

Kinston rally sinks G.W. Long 33-21

By Johnny Higgins, Sports Editor

The Kinston defense rose to the occasion Friday night as it held the G.W. Long Rebels scoreless in the second half to pave the way for an exciting 33-21 come-from-behind Bulldog victory.

The game started off sloppy for both teams as the Rebels lost fumbles on their first two possessions, and Kinston saw its first series also end with a fumble.

The Bulldogs got their offense in gear on their second possession and covered 35 yards in six plays to grab an early lead.

Ronnie Lowman gained 21 yards on 3 carries to lead the Kinston march, while Fred Edwards ran up the middle for the final nine yards and the touchdown. The extra-point try was wide, but with 8:29 left in the first quarter the Bulldogs were on top 6-0.

G.W. Long got the kinks worked out of its offense on its ensuing series and drove 61 yards in five plays to grab the lead.

Adam Fritchett hit Daniel Walker on a 9-yard scoring pass for the Rebel score, and Bobby Hadden tacked on the extra-point to put Long ahead 7-6 with 5:49 remaining in the stanza.

Neither team could move the chains on their next two possessions, but Kinston took over at the Rebel 49-yardline after a Michael Farris interception, and drove 49 yards in nine plays to regain the lead.

A 34-yard pass from Jason Williams to Ronnie Sansom was a key play in the scoring drive, with the score coming on a 20-yard toss from Williams to Allen Bowdoin.

Williams ran over the goal line for the two-point conversion, and with :42 left in the stanza the Bulldogs were back ahead 14-7.

Kinston appeared to be headed back to the end zone on its next possession, but a pass completion to Chaney Lashley turned into a turnover, as Daniel Walker stripped the football away from Lashley and raced 50 yards for a Rebel touchdown. Hadden added the extra-point, and with 1:27 left in the second quarter Long had caught the Bulldogs at 14-14.

Kinston put the ball in play at its 30-yardline to begin its next series, and 10 plays and 70 yards later the Bulldogs were right back in the lead.

Jeremy Osborn had runs of 12 and 33 yards during the five-minute march, while Ronnie Lowman picked up 23 yards on 3 carries, and Fred Edwards capped off the drive with a 2-yard plunge. The pass for two fell incomplete, but with 6:08 left in the half the Bulldogs were back ahead 20-14.

Adam Fritchett returned the ensuing kickoff 47 yards to pump life into the Rebels, and G.W. Long quickly marched 36 yards in four plays to take back the lead in the see-saw affair.

Clay Killingsworth went 22 yards to climax the scoring drive, and Bobby Hadden tacked on the extra-point, pushing the Rebels ahead 21-20 with 3:30 still remaining in the wild first half.

G.W. Long's lead did not last long into the second half; however, as on the Bulldogs' second play from scrimmage Allen Bowdoin took a lateral from Adam Osborn and raced 67 yards down the left sidelines for the go-ahead score. A two-point try failed, but with 10:15 left in the third quarter the Bulldogs were ahead for good with a 26-21 advantage.

G.W. Long drove from their 38-yardline to the Kinston 3-yardline on its next possession, but a third down pass was intercepted by

Chaney Lashley, and the Bulldogs remained ahead.

Kinston marched to the Long 37-yardline following the turnover and used up over five-minutes of the clock, only to be turned back on downs.

The Bulldogs got the ball back on a Rebel punt, and this time marched 85 yards in 16 plays to extend their lead to 33-21.

The long scoring march took over six and one-half minutes, and was capped when Jeremy Osborn went off tackle for the score. Osborn also tacked on the extra-point,

giving Kinston a 33-21 lead with only 2:14 remaining on the clock.

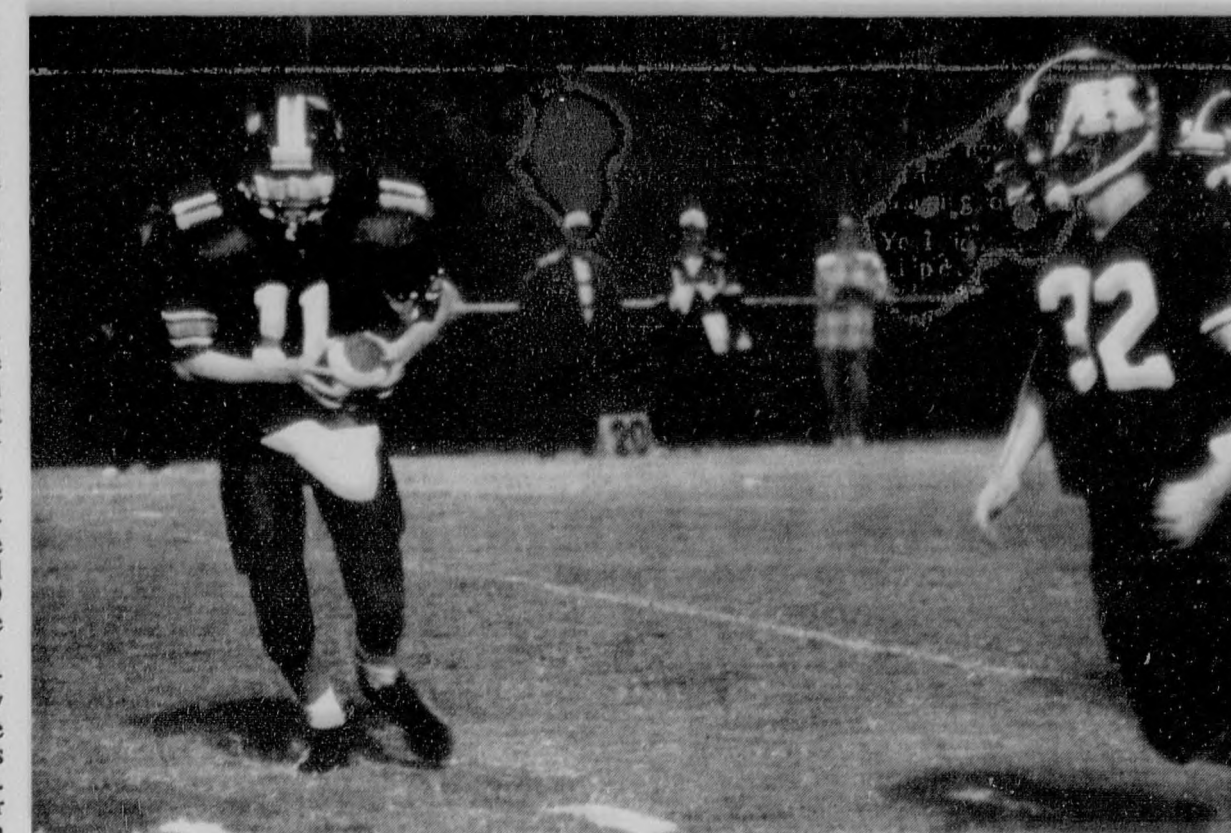

Jeremy Osborn led the Kinston ground attack with 78 yards on 8 carries, while Allen Bowdoin added 67 yards and a touchdown on one carry, and Ronnie Lowman gained 55 yards on 12 totes.

Jason Williams completed five of 10 passes for 94 yards, with Ronnie Sansom pulling in 3 passes for 70 yards.

David Wise sparked the Bulldog defense with 6 solo stops, 2 assists and a fumble recovery, while Chaney Lashley had 5 stops, 4 assists

and an interception and Michael Farris chipped in with 3 tackles, 8 assists, two interceptions and two forced fumbles.

Mayor Lee stated that at this time, all employees will be carried for the next 30 days in temporary positions until the needs of the city can be studied. After that time they will be reviewed and adjusted as is felt necessary.

The council approved the minutes of the previous council's meeting held on September 9 and approved payment of bills totaling \$3,950.98. They also approved payment of \$800 as the first installment on the town's municipal insurance.

City Clerk Linda Dillow noted that each department will be expected to pay their prorated share of the cost of the town's insurance premium.

Police Chief Charles Driggers reported that his department, during the past month, had made six criminal arrests, answered fifteen complaints, issued twenty traffic citations and investigated two automobile accidents with no injuries.

He noted that the fire department had responded to three fires and the rescue squad had made fifteen runs.

Attorney Stan Walker, representing the town's attorney, Joe Sawyer, reported that negotiations were continuing on the franchise agreements with the Southeast Alabama Gas District and Covington Electric.

He also commented that he and Mr. Sawyer were planning to attend the communications bill seminar in Gulf Shores, AL.

Before adjourning the meeting, Mayor Lee encouraged those attending the first meeting of the new council to continue to do so each month.

"We want your input...if we're not doing something good come tell us. If we're doing something good tell us also," said Lee.

Before creating his world-famous animated characters, Walt Disney failed at film-making. He set up his first studio in a garage and struggled to pay his expenses. He finally gained success when he released the first short Mickey Mouse cartoons.

CITY (Continued from Page One)

the city council give the city council voting control of the Board and its financial decisions. Carpenter was serving on the W & B Board during the past administration. Other members of the board serving normal five year terms are Tim Johnson (who was serving as chairman) and Ellen Lowery.

John W. Sharpless was reappointed to the Southeast Alabama Gas District Board. He serves with representatives from 14 other municipalities and is presently the sitting President of the municipal owned gas distributor.

The council accepted the recommendation of Mayor Grimes and changed the city auditors to Barr, Brunson, Wilkerson and Bowden. This firm had done the work for the City of Elba until a change was made four years ago.

Both local banks were named to continue as the city depositories for municipal funds.

A resolution was approved "Providing that all administrative officers and departments heads of the municipality shall continue in their respective duties temporarily up to a six month period until an evaluation of personnel can be done on each department."

That motion covered all departments, but since the street department superintendent is a position which the state constitution spells out for the new administration to formally vote on every four years, this preserves Billy Meeks' job for at least the time being.

The council will meet on 2nd and 4th Mondays at 6 P.M.

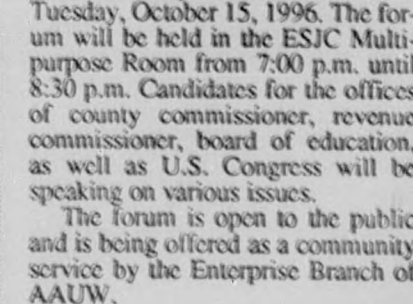

ELBA ELEMENTARY SCHOOL is proud to recognize these students who have already reached the milestone of earning 25 points each in the Accelerated Reader program. Each of them receives a free balloon pass or homework pass and their picture in *The Elba Clipper*. Pictured left to right are Sheena Flowers, Chris Byfield, and Billy Gibson.

Political Forum to be held in Enterprise October 15th

The Enterprise Branch of the American Association of University Women is sponsoring a political forum for local Democratic, Republican, and Independent candidates on Tuesday, October 15, 1996. The forum will be held at the Elba Community Center from 7:00 p.m. until 8:30 p.m. Candidates for the offices of county commissioner, revenue commissioner, board of education, as well as U.S. Congress will be speaking on various issues.

The forum is open to the public and is being offered as a community service by the Enterprise Branch of AAUW.
